

TEMPORARY NRA IDENTIFICATION  
NUMBER STATEMENT

I \_\_\_\_\_ have submitted an application for a valid Social Security Number with the Social Security Administration. Because of the delay in issuance of a valid social security number, the University may assign me a “Temporary NRA Identification Number” in order to process the payment. This number is restricted to the University and The Bureau of State Payrolls for auditing purposes only and may not be used for any other purpose. It is strictly for payment only.

I understand that this is **not** a temporary social security number and **must not** be referred to as such. I **may not** use the “Temporary NRA Identification Number” for applying for a drivers license, opening up bank accounts, enrolling in any health maintenance organization and/or retirement programs that are being offered to me as a result of my employment. I **must wait until I receive a valid social security number.**

I certify that I understand to the fullest extent of the law that I am being issued a “Temporary NRA Identification Number and I will not use it for any other purpose than payment only.
