UNIVERSITY PROFILE

The Florida State University stands as one of 11 public institutions of higher education in this popular southern state abounding in diversity of thought, discipline, and work environment. Located in Florida’s capital, FSU provides access to a panoply of sources and opportunities from all levels of government, other educational institutions, and overseas to countries in the Caribbean and Latin America, and extending across boundaries throughout the world.

With teaching, learning and research as hallmarks, FSU’s branch campuses in Panama City, Sarasota, and Orlando, Florida, as well as the Republic of Panama, provide exciting opportunities to a student body population of nearly 39,000, from every county in Florida, every state in the nation, and 139 foreign countries. In addition to its branch campuses, the University offers a wide variety of overseas study programs for its students and faculty through the Florence and London Study Centers, and through programs in Barbados, Costa Rica, Switzerland, Russia, Cetamura, Italy, Oxford, England, and in Central and Eastern Europe.

Think of FSU from any of these standpoints:

- Scientific research and discoveries rank FSU among the top ten universities in terms of generated revenues.
- 300 of the world’s top scientists conduct research in the life sciences, medical sciences, electrical sciences, computing, communications, material sciences, and other worldwide projects at FSU.
- The world’s largest magnet exists at the National High Magnetic Laboratory.
- FSU boosts 16 major academic divisions: the Colleges of Arts and Sciences, Business, Communications, Education, Engineering, Human Sciences, Law, Medicine, and Social Science; and the Schools of Criminology and Criminal Justice, Film (Motion Picture, Television, and Recording Arts), Information Studies, Music, Nursing, Social Work, and Visual Arts and Dance, with courses of study leading to the baccalaureate degree in 94 degree programs, 107 master’s degree programs, and 73 doctorate’s degree programs.
- Holding membership in the Atlantic Coast Conference and sponsoring eight men’s teams and nine women’s teams, FSU excels in intercollegiate athletics.

The Florida State University communicates its commitment of non-discrimination and fosters diversity and inclusion in carrying out its programs, services, and activities for students, faculty, staff, vendors and visitors. In pursuing its mission of excellence as a comprehensive, graduate-research university with a liberal arts base, FSU strives to create and maintain a harmonious, high performing work and educational environment.

To attract, develop, and retain diverse, key staff, FSU provides a robust selection of benefits keeping in mind today’s important work/life issues. From tradition annual and sick leave programs to training and development, tuition assistance, travel discounts, free internet access, and much more. For additional information on our benefits, visit www.hr.fsu.edu.
About Tallahassee
Tallahassee’s designation as an “All-American City” exemplifies the balance between its small-town charm and its place as one of America’s 10 most-educated cities. Working professionals, state employees, educators and students make Tallahassee a progressive and active community.

Tallahassee offers events and attractions of interest to many. In addition to local and regional festivals, sports, arts and cultural programs, and entertainment venues, its close proximity to Gulf coast beaches and waterways make yachting and boating only a short drive away. Visit www.talgov.com for more information.
